Make a plan
Do the work
Connect with teachers

Find Balance

Connect to clubs and
interests in school
and community

SPACE

Education Station

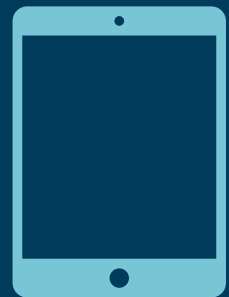

Your specific place to
"go to school" at home

Materials

Headphones/Earbuds
Notebooks
Pens/Pencils

Setting

Appropriate Virtual
Background

TECH

iPad

Keep your device
charged and updated

Webex

Join your class
Engage in Chat
Camera on

Schoology

Access Webex Room
Review Class Schedule

LAUNCHED VIRTUAL ACADEMY DIGITAL TOOLKIT (6TH-12TH GRADE)

STANDARD CLASSROOM TOOLS

Webex: All live classes and meetings are in Webex

Schoology: Everything you need for your class lives in this app

ClassLink: Find your textbooks, learning apps and more

TOOLS FOR COMMUNICATION & TASKS

Gmail: Use this app for your email and check it daily!

Google Calendar: Use this app to help keep track of your tasks and make appointments with your teachers.

Infinite Campus: The app for schedule and grades

TOOLS FOR LEARNING!

Notability: Use this app to complete assignments that you need to write or draw on (and more!)

SORA: The digital library app to read books and magazines and listen to audiobooks

The Google EDU Suite: Apps to collaborate and create and more! (Drive, Slides, Docs)

ClassLink: Find your textbooks, learning apps, and more

SELF-SERVICE

Download all apps for school through the Self-Service app--the one stop shop for all your learning app needs!

COMMON TROUBLESHOOTING TIPS

Step 1: Update the iOS on the iPad (Settings--> General --> Software Update)

Step 2: Reinstall or Update the App in Self Service (log out of the application before reinstalling or updating)
